Professional Communication and Relation Manager

professional.relations@galderma.com

We only consider requests that include a project description, supporting documentation and a signed summarizing letter on your paper letterhead.

By sending your request, you hereby represent and warrant that your program complies with applicable laws and regulations.

Please note:

Nestlé Skin Health has no legal obligation to fund any project.

If your request is accepted, any payment is subject to requestor's compliance with Nestlé Skin Health's internal financial policies.

Please note that in order to comply with transparency obligations, the funding may be made public.

You have the right to access and rectify your personal data. For more information, please check our Privacy Policy.
